QINGDAO SONGWAL BIOTECH CO., LTD

MAKE BEST PRODUCTS, SUPPLY
BEST SERVICE!

COMPANY PROFILE

Welcome to Qingdao Songwal Biotech, a leading provider of high-quality biotechnological solutions since our establishment in 2012. Our manufacturing facilities in Hebei and Shaanxi provinces are integral to our operations, functioning as an extension of our own production capabilities. These state-of-the-art facilities adhere to the highest quality standards and hold certifications including ISO, GMP, Halal, SC, Kosher, and FDA. This close collaboration ensures that every product we offer is produced under rigorous quality controls, guaranteeing the highest levels of purity, potency, and regulatory compliance.

Over the years, we acquired clear business knowledge and expertise, and on forecasting opportunities, with the knowledge and experience gained. We have expanded our reach to East Asia, Southeast Asia, Central Asia, West Asia, Middle East, South America, North America, etc.

SWBio is continuously forging and developing relationships with new companies through referrals from the satisfied customers. We welcome and anticipate the opportunity to discuss with you as valued customers to become a partner in your supply chain solution, having the confidence that our services will lead the way to your success!

Choose SWBio - let us do better!
